

# 804 Towpath - Sippo Valley Trails to Dalton

Starts at Lake Ave Trailhead near Ernies Bike Shop

A flat ride on the Towpath and Sippo Valley Trails. There are a few blocks on very low traffic streets in Dalton.

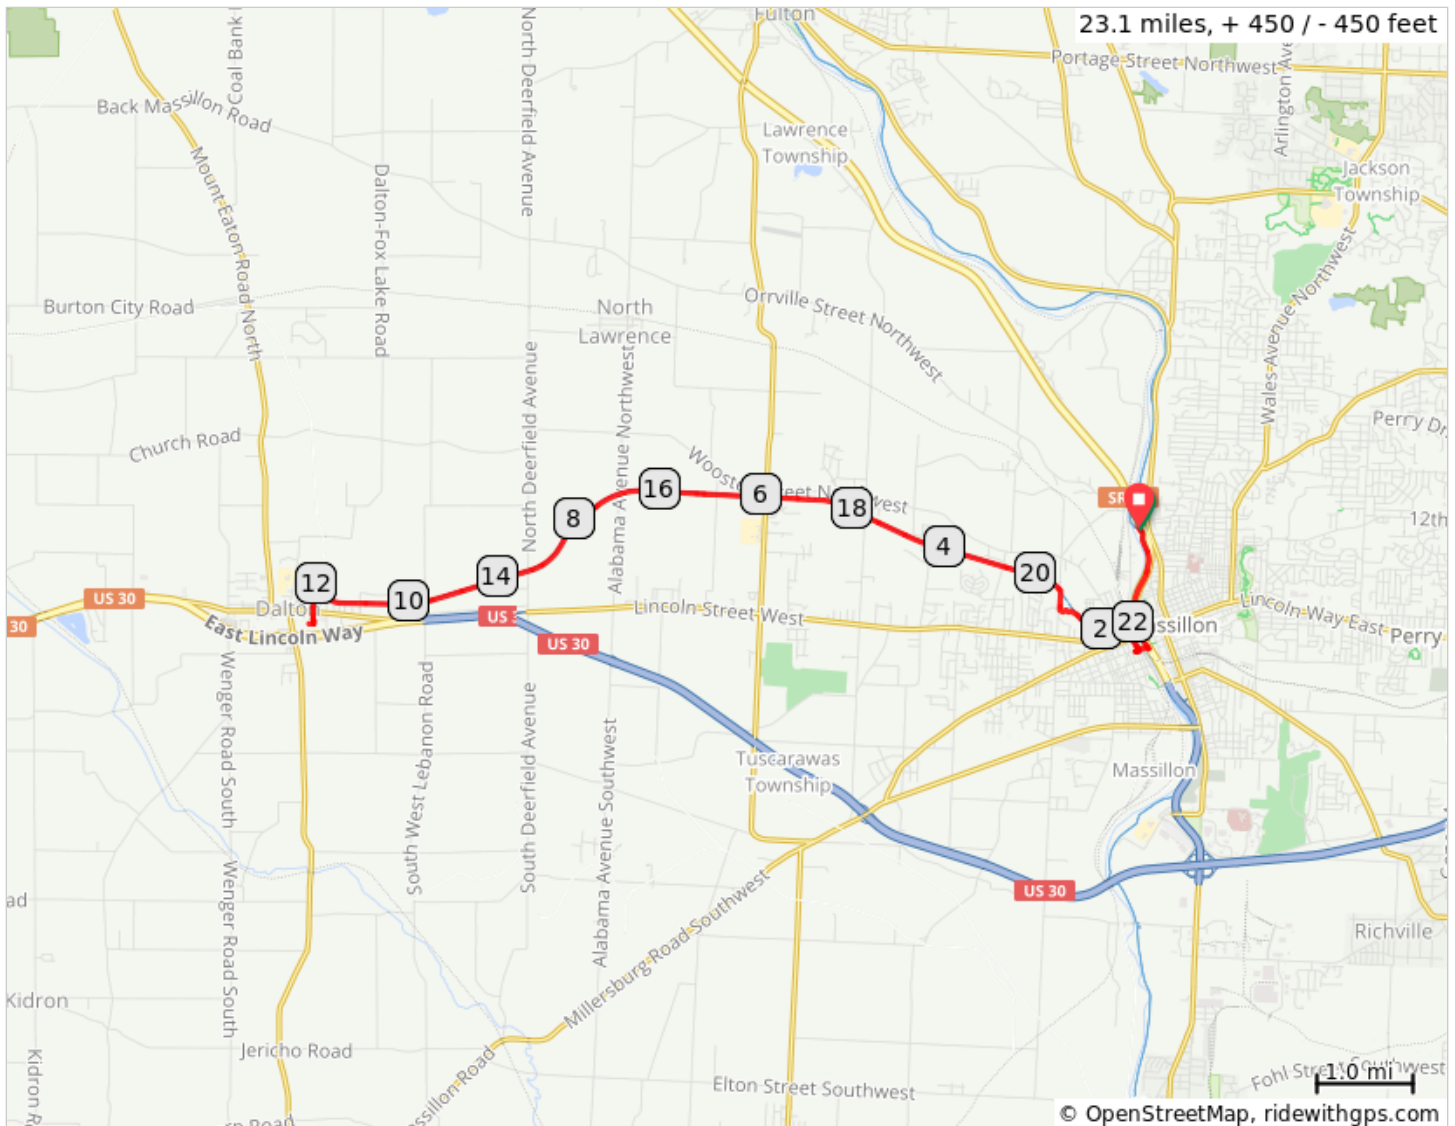

Bridges on the trail can be slippery when wet.

A 3 mile section of unpaved trail each way is rideable with road bikes in good weather with caution. The unpaved section can be bypassed using roads adding moderate hills, some traffic and about 3 miles to the total ride. (See map 479)

The turn around is at the restrooms in Dalton Village Green Park.

Mostly flat. 476 ft of elevation gain. Average gain 21ft/mi
