

SCBC 2025 Challenges

SCBC Club Miles

Miles ridden by SCBC members as recorded on Ride with GPS on pre-scheduled club rides. Miles ridden to and from the ride as part of a bike commute may be included as we try to reduce our carbon footprint. E-bike miles are not included in this challenge. The 5 male and female riders with the most mileage will be recognized at the banquet.

Total Miles

Outdoor miles ridden by SCBC members on club rides, tours, and other cycling activities that may or may not be club sponsored as recorded by Ride with GPS. This category will give all our members their grand total miles ridden for the entire year. Top male and female riders are eligible for various categories of awards such as most miles, most elevation gain, most centuries etc. E-bike miles may be included in this category. Indoor miles on trainers are NOT included.

E-Bike Miles

Miles ridden by SCBC members as recorded on Ride with GPS on pre-scheduled club rides on pedal assist bikes. Miles ridden to and from the ride as part of a bike commute may be included as we try to reduce our carbon footprint. Awards will be given for top pedal assist riders.
