Dave's Desktop Dialog...

from SCBC President Dave Swinehart

We are already rolling into May. Hard to believe the first third of the year is behind us.

The May 5th meeting will be at the Canal Grille with Ernie's Bike Shop presenting. This will be our last meeting for awhile, as we take the summer off. Regular meetings will resume in September.

Mark your calendars for a few upcoming events:
May 16 the poker ride at Ernie's. We still need a few volunteers.
July 4 ride and picnic at the Canal Fulton senior center. Thank you Jim Weinschenk for getting the facility reserved for us.
July 18 North Canton Kids Bike Rodeo. Volunteers needed. Denny Simon will have some of the Tuscazoar kids race team there to help.

Be careful out there on your rides. I've noticed the sun glare headed west in the evening has been blinding at times. Be alert to your surroundings and follow all traffic rules and laws. For a refresher you can locate them in the 4511 chapter of the Ohio Revised Code.

Thank you to all the ride leaders for continuing to put out a nice ride schedule. We have plenty of rides for all rider levels so come on out and join other club members on the ride of your choice.

Hope to see you at our meeting.

Enjoy the ride
Dave

Tuesday Trail Rides: A Summer of Exploration

Debbie Mohler and Chip

This summer, Tuesdays are for trails.

We're kicking off a weekly trail ride series, meeting every Tuesday to explore local routes and gradually venture farther in search of new terrain. Whether it's a familiar path close to Home a hidden gem a little farther out, each ride is about discovery, challenge, and enjoying the outdoors together.

I'll be co-hosting these rides with Lindsay Hart, whose adventurous spirit makes her the perfect partner for this journey. If you've ever seen her activity on Strava, you know she's constantly out exploring a wide variety of trails. Her sense of curiosity and drive to find new routes is exactly what inspired this series.

Some of the trails we'll ride are ones I haven't experienced yet-but that's part of the excitement. This summer is about stepping outside the routine and embracing that sense of adventure.

These rides are open to anyone who's ready to get out on a trail. Whether you're a seasoned rider or just looking to try something new.

LET'S GO!

The Stark County Bicycle Club now has 20% discount Link for ROAD ID.

Road ID has impacted over 5 million lives since 1999. Road ID's mission is to educate outdoor enthusiasts about the importance of wearing ID and to provide athletes with innovative identification products that they will want to include as part of their gear.

This ID can be worn on your wrist, watchband or shoe.

The information on your ID is customized to your needs: Name, address, emergency contacts, allergies just to list a few options.

So don't hesitate to click on the link below and give you and your family a peace of mind when you are out on the road or wherever your travels may lead you.

A special thanks to Nikki Deligny for applying for this discount for our club!

Stark County Bicycle Club Ride Schedule Information

SCBC RIDE GUIDELINES HELMETS ARE REQUIRED ON ALL CLUB RIDES AND INVATIONALS

Participants under the age of 18 must be accompanied by a parent or other adult supervisor on all rides and at all Club activities.

Club rides are listed with letters denoting the Ride classification so riders will know if a ride is suited to their skill level.

Registration for all rides will be 15 minutes prior to the starting time listed.

Please call the Ride Leader or Road Captain if you have any questions about weather, route or difficulty of ride

Most of our rides can easily be shortened, if you are looking for less distance. Just let the ride leader know your intentions.

Non-Members are always welcome on club rides

Dress appropriately for the weather conditions.

CLASS A - Fast pace (over 19mph). An **A** rider is in excellent condition, can maintain a 19 mph pace for extended periods, and can complete a century (100 miles), even in adverse conditions of weather, traffic and terrain, in under 7 hours.

CLASS B - Moderately fast pace (15 -19 mph). A **B** rider is a strong rider, feels comfortable sharing the road with traffic, and can complete a century (100 miles) in under 8 hours.

CLASS C - Moderate pace (10 -14 mph). A **C** rider is a competent rider, in good conditions, can handle most traffic conditions, and can complete a 50 mile ride in under 6 hours.

CLASS D - Slow pace (5—9 mph). A **D** rider is a steady rider who may not feel comfortable in traffic and does not wish to attempt rides in excess of 20 miles. Should be able to complete a 20 mile ride in 3 hours

CLASS O - Open pace. Class **O** is given to a ride on which riders, including the ride leader, will be riding at whatever pace they choose.

CLASS MTB - Trail rides which may require technical ability or special bikes. These trails may have obstacles such as rocks, mud, logs or stream crossings.

CLASS NR - New Rider. Class **NR** is given to a ride specifically intended for new riders, who may be new to group riding. The ride leader will attempt to communicate "rules of the road" and will always stay with the slowest rider. Everyone is encouraged to ride together at the pace determined by those participating.

CLASS TRL - Rides which are entirely on trails or bike paths. They may be paved or hard packed

TOURIST CLASS - A special designation given to **C** and **D** rides which are designed to appeals to those who don't mind riding long distances, but who also like to take their time and stop to see places of interest along the way. These rides will generally have a destination of special interest where time will be taken to explore, investigate and enjoy the sights. All riders will be encouraged to ride together in a group with the ride leader.

Venice, Florida 2027

Stark County Bike Club Venice, Florida
Saturday Jan. 16 to Saturday Jan 30, 2027

Island Sun
625 Tamiami Trail S
Venice, Florida. 34285
914-484-9559

I am happy to announce that this year we were able to negotiate a standard room (King or Queen double) rate of \$109 plus tax per night. If we book and actually check in twenty (20) rooms under SCBC, the Island Sun will adjust our rate to \$99 plus tax per night.

Any cancellation that will drop us below 20 rooms will make the \$99 rate not applicable to anyone!

When you call the Island Sun to make your reservation you will need to mention you are with the Stark County Bicycle Club to get our special rate. It is very important to be committed to doing this trip before you book a room at the Island Sun. Too many cancellations over the past 5+ years has really damaged our relationship with the Island Sun.

Cancellation Policy: The guest can cancel free of charge until Dec.15, 2026. Should you cancel after Dec. 15th you will be responsible for charges of the first night room rate plus tax.

No Show Policy: No show policy applies to the guest who has a reservation at the Island Sun, who does not appear on the reservation date of arrival. No show will be charged a penalty equivalent to the 7 nights room rate plus tax.

Once your reservation is made, please email or text me your information including your room number for my communications sheet.

Thank you

Insurance Waiver Reminder

All Club members must sign the insurance waiver in order to participate on SCBC rides.

You may find this form on the SCBC Web page on the left hand side 5th item down titled Insurance Waiver.

There are 2 insurance waivers, one for adults and one for a minor. A separate copy for each adult and minor is needed.

If you did not fill out an insurance waiver and send in with your 2024 membership form, please do so as soon as possible. You may also give it to any ride leader or mail in to SCBC, P.O. Box 592 Uniontown, Ohio 44685.

Thank you

New & Featured Member Articles

We all have a story to tell, New Members and Seasoned Veterans alike. What is better than sharing that story with other members of the Club in the "Spokin' Word". We need New and Existing Member articles to feature in our newsletter, so we can enjoy those stories and get to better know each other.

We always need articles for upcoming newsletters, so I urge anyone who would like to share a story about themselves with photographs to please contact me by e-mail or phone. The deadline for submitting articles is the 10th day of the prior month.

This position is open, Please contact Dave Swinehart if you are interested.

NEW BUSINESS

Florida trip - Sally to discuss. This needs more discussion before we can move forward for 2027.

Annual Awards Banquet - Certificate of liability insurance.

The City of Green has granted us rental of the Central Park Community Center (1975 Steese Rd., Green, OH) for our annual banquet on November 7, 2026. The rental fee is \$75. This is a very nice facility that can accommodate up to 100 people at a great price. However, the city requires that the club provide "Proof of insurance in the amount of \$1,000,000.00 naming the City of Green as additional insured" if we allow alcohol to be consumed. Fran has been in contact with Nancy from Lake Shore Insurance to determine if this is obtainable, and what the cost would be. Nancy is investigating this and hopes to have an answer early next week (April 6/7). If we can not obtain the insurance at a reasonable price, we will need to either prohibit alcohol or keep with our original plan of holding the banquet at La Pizzeria at a much higher cost.

Additionally - we need to talk with Rob and Janice Spalding regarding the date for the Oktoberfest picnic. We need to have as much time as possible between the picnic and the banquet if we hope to have good attendance at both events. What is the earliest date that the Spaldings can accommodate the picnic?

Membership

In the past we gave away free club memberships to anyone who attended the Poker Ride if they signed up that day. I would like to try that again. I think we could gain some quality members by doing this. I know I thought about the club for years before I joined and only did so when I attended the poker ride. Just a thought.

Club Tours

Any members who are wanting to lead a tour, or are planning to participate in an organized tour led by another organization, are asked to send a link to the event to Dave Swinehart so we can post it on the website and Facebook. It's a great way to let other members know about the event and increase participation.

OLD BUSINESS

E-bike Policy Update

Dave reminded guests about the update to the E-Bike policy regarding use of throttles. If you need to use a throttle, please remember to let your Ride Leader know before the start of the ride.

Membership Period Revised

Members are reminded that membership renewal for the following years will take place in November. Current year dues were payable by March 31, 2026. Next year's dues will be payable by November 30.

Upcoming Membership Meetings

May Membership meeting will be held at the Canal Grille in Canal Fulton. The September meeting will be at Walther's. Twin Tavern.

The October Membership meeting will be held as part of the Oktoberfest picnic, and the Annual Banquet will serve as the November meeting.

Membership meetings will not be held during the summer months (June, July, August).

NEW BUSINESS

Annual Awards Banquet

Fran Massaro is working on details for November's Annual Awards Banquet and should have details at the May membership meeting.

Poker Ride - Membership

The Poker Ride is scheduled for Saturday, May 16, 2026. This is a great event for the club in conjunction with MAGI and Ernie's. In the past we gave away free club memberships to anyone who attended the Poker Ride, if they signed up that day - NEW MEMBERSHIPS ONLY. Dave Swinehart would like to try that again. We could gain some quality members by doing this. Dave thought about the club for years before he joined and only did so when he attended the Poker Ride. Elaine Snively motioned that we extend a one year free membership to anyone signing up as a new member at the Poker Ride. Jim Herberger seconded the motion. All attending voted in favor.

We need members to donate cookies and their time staffing the event. Dave circulated sign-up sheets for both. Members are encouraged to help with this event.

New appointed position

Sunshine ambassador is a new position whose role is sending sympathy and get-well cards to members. Lucy Figg has been sending cards in an unofficial capacity (previously Barb Weinschenk) and has agreed to continue in an official capacity.

Kiwanis Fundraiser Bike Ride to Honor Bill Johnson

Lyndon Thomas from the Belden Village Kiwanis invited the club to participate in a ride to honor Bill Johnson. This would be a 5 mile loop ride on the towpath and Olde Muskingham Trail. The possible date for this ride would be June 4 at 4:30 PM. The ride is a fundraiser for the Joseph Kripinski scholarship, which goes to Jackson, Glenoak, or Aquinas seniors who are members of the key club. The goal is to raise part of their goal of \$15,000 to the scholarship endowed at \$100,000. They currently have \$85,000 raised. President Dave will reach out to Lyndon and obtain further information to present at the May members meeting.

Kiwanis is suggesting that ride participants donate \$25 to the cause, though this is not required. Elaine Snively suggested that in addition to individual donations the club make a donation. The Board will take this up for discussion.

Pactimo

Sally announced that the Pactimo online store would be open again in the coming week. Anyone wanting to place an order for the new club jerseys should grab this opportunity to do so. New options include sleeveless jerseys and thermal jerseys. Notifications of the store opening will be sent via RWGPS, Facebook and the club's email.

Membership Minutes continued...

Stats, Facts and Truths Contest

This month's Stats, Facts and Truths question was: What year did the RWGPS app reach one million users? Jim Herberger made the correct guess of 2017, and won a \$20 gift certificate to Walther's Twin Grille.

Adjournment - 7:30pm

Dave asked if there were any additional comments or questions. There being none, Dave asked for a call to adjourn the meeting. Elaine Snively motioned for adjournment. Don Burrier seconded the motion.

Program

Following a brief break Brett Skraban with RideWithGPS conducted a Zoom presentation discussing various functions and features available to Ride Leaders, and general riders, for planning and scheduling rides, as well as organizing your favorite rides.

Commuter Miles

Commuting miles are defined as any miles on the bike during which you substitute a bicycle for a motor vehicle. You can include trips to work, school, appointments, errands and riding to a club ride (SCBC scheduled ride miles should not be included in your commuter miles).

Reporting will be on the Honor System. Send your miles via email to davecardarella@gmail.com once a month. I will track your miles and they will be reported in the newsletter. If you miss a month, just send me your miles and I will include them.

How Much Air Pollution Is Prevented When Commuting by Bicycle?

10 mile round trip commute 5 days a week for a year (2600 miles annually)

Small car	35 mpg	68 gallons of gas	.7 Tons of CO ₂
Midsize car	20 mpg	124 gallons of gas	1.3 Tons of CO ₂
SUV or 4x4	14 mpg	170 gallons of gas	1.9 Tons of CO ₂

And those are just the pollutants from fuel use. From the foam and plastic in its seats to the petroleum in its tires, each car is a small pollution factory. Several tons of waste and 1.2 billion cubic yards of polluted air are generated in its manufacture alone! In 2008 the US produced 1.6 million billion metric tons of waste mining ore for automotive production. In the US each year, painting and coating cars produces 40 million pounds of air releases and 24 million pounds of hazardous wastes.

During its lifetime, on the road, each car produces another 1.3 billion cubic yards of polluted air and scatters an additional 40 pounds of worn tire particles, brake debris and worn road surface into the atmosphere.

Bicycling significantly reduces transportation emissions while also reducing traffic congestion and the need for petroleum. The total number of pounds of pollutants, (comprised of hydrocarbons, carbon monoxide, nitrogen oxides and carbon dioxide), emitted per year is 12,140.30 lbs/year (or 0.97 lbs/mile) for passenger cars and 17,025.80 lbs/year (or 1.21 lbs/mile) for light trucks.
